Monster Choices. Mini Rates.

CHOICE RATE
as low as
3.19% APR*

Test drive SELCO's Choice Rate Auto Loan – no matter what kind of vehicle you want. It has an even lower, fixed-rate APR than our standard auto loan for up to two years. And gives you easy-handling payment choices after that. Ask about First Time Buyer and Loan Draft programs, too. We're at your service by gearing up on options that drive down car loan rates.

*SELCO members and qualified borrowers only. Rate shown is Annual Percentage Rate and applies to the 24-month Choice Rate vehicle loan only. Because payments on the Choice Rate are based on a term of up to 72 months, a balloon payment may result. Your actual rate may vary depending on the loan repayment period, the type of loan you're applying for, and your credit qualifications. Other restrictions may apply. See SELCO for details on the best auto loan for you.
