Selling Tsunami Books

After 10 years of being the most likable book clerk in town, my (business) partner David Rhodes is moving on to other lives. For that reason, we are looking for one (or two) energetic, community-oriented, progressive-minded book lovers to assume up to 50% worker-ownership of Tsunami Books.

This is a unique opportunity to incorporate right-livelihood into your dreams of owning your own business. Feel free to email, write, or (best of all) drop by for an information packet and a friendly hello (no phone calls please).

And please remember to always shop your progressive, local businesses first.

Thank you,

Scott Landfield, David Rhodes
