Traffic is bad.

I-105 is under construction now through June, 2005.

Friends are good.

Prepare yourself. Traffic jams are no fun. And, surprising as it sounds, a highway full of angry motorists is not the ideal place to make new friends. Unless you meet them in a carpool.

Maybe you won't share gossip, have a secret handshake or become soulmates. But you will be reducing traffic. And isn't that what friends are for? Your buddies at **Commuter Solutions** are here to help things go swimmingly.

How to be part of the solution:

- * Instead of driving alone, carpool
– Commuter Solutions offers Carpool Matching
- * Take the bus
- * Work from home
- * Take a different route or travel at less busy times
- * Walk
- * Ride your bike
