\* Pet of the Week \*  
Everybody deserves a good home  
Stella is an affectionate four-old cat who holds a special place in the hearts of Greenhill staff. Poor Stella was abandoned on our property injured and matted. She was starving for more than food; she was also starving for love and attention. Stella was very frightened of people at first, but after months of patience she began to trust us and let us take care of her. Stella is now spayed, clean, healthy and ready for a new home. Past trauma in her life means that she's looking for a quiet, calm home with a new owner who will give her lots of love and time to adjust. She's a real character who will give as much love as she gets. Come meet Stella today, and see if you are the right one to give her the new life she deserves. Greenhill tests all cats and kittens for feline leukemia, and this cat has tested negative for feline leukemia and is cleared for adoption.
