SHAMANIC HEALING
 Shamanic Healing addresses the spiritual aspects of physical, mental and emotional illness. Possible symptoms calling for Shamanic Intervention are:
 • not feeling whole • "part of me left" or "I haven't been the same since"
 • chronic illness, depression or fatigue • addictions
 • feelings of possession, darkness, or alienation
 A one time Healing Empowerment Ceremony can address the issues & restore the integrity of the soul force. There is also a monthly drumming & journey circle to support your ongoing process.
