SHAMANIC HEALING
Shamanic Healing addresses the spiritual aspects of physical, mental and emotional illness. Possible symptoms calling for Shamanic Intervention are:

- not feeling whole
- "part of me left" or "I haven't been the same since"
- chronic illness, depression or fatigue
- addictions
- feelings of possession, darkness, or alienation

A one time Healing Empowerment Ceremony can address the issues & restore the integrity of the soul force. There is also a monthly drumming & journey circle to support your ongoing process.
