“ As a regular LTD rider, I think LTD is terrific! I’ve ridden the bus since I moved here in the early 90’s. Every morning I board the bus and find my “family” of regulars. When I moved across town, I discovered my neighborhood Park & Ride so I could continue to enjoy the ride with my buddies! Simply park the car and let LTD do the driving. Bravo! ”

**Valerie Stillwell, Executive Director
Stillwell Holdings**
