John Henry's
Best Place To
Shake Your Booty

EW backed Human Certainty guitarist Will Lindsay into a corner and made him choose between some of the hardest death and black metal band names out there.

Black Goat or dead horse? Definitely dead horse, a very underrated, early 1990s thrash metal band.

Molested or Rigor Mortis? Molested. It just sounds kinda silly.

Hate Eternal or Fleshcrawl? Those are both pretty funny. Fleshcrawl.

Rotting Christ or Eucharist? Rotting Christ. *Triarchy of Lost Lovers* is a great album.

Bunnies or Tulips? [Ed's note: not band names] Umm ... bunnies. I just like bunnies.

BEST LOCAL PUNK BAND: HAPPY BASTARDS

2nd: The Ovulators

3rd: The Anxieties

This punk rock band is different from what you know about punk rock bands. Less chain swinging and raucous, more melody and depth along with awesome female vocals.

BEST LOCAL REGGAE/WORLD BAND: NORMA FRASER

2nd: I-Chele

3rd: Thomas Mapfumo

EW's 30 seconds with Norma Fraser.

Lee Perry or Israel Vibration? That's an easy question: Israel Vibration. I know them personally, so I know a lot of stuff that you guys don't know about them.

BEST LOCAL ROCK BAND: THE OVULATORS

2nd: SILAS

3rd: The Sugar Beets

The Ovulators members Kelani Larsen, Tina Sarno, Dori Prange and Kasey Marcusky opted to answer EW's questionnaire as a group. Hey, if they can play in unison, they sure as hell can answer in unison.

LP or CD? Nothing else feels like vinyl.

Acoustic or electric? We like to be shocked.

The mountains or the coast? We're gonna fly to the moon.

The Beatles or the Stones? Whichever we can ovulate on.

Tambourine or maracas? We'll shake what-ever you got.

Love or money? We love what we don't have to pay for.

Would you rather be cowboys or pirates? Being a pirate is like being a rock star, it's all booze and booty.

BEST LOCAL LATIN BAND: CALIENTE

2nd: Los Mex Pistols del Norte

3rd: Lo Nuestro

"Salsa started in New York," says Fernell Lopez, front man for Caliente. "It's a spicy mix of many different cultures: Cuba, Puerto Rico, Dominican Republic. Our band has always been more or less half and half Latino and Anglo musicians." Caliente started in 1987 as a Eugene Celebration Parade entry, although Fernell says he's the only one left from the original group of six or seven. "Our piano player now is classically trained," he says. "She's a crossover to salsa music." But Caliente probably has that effect on a lot of people.

BEST LOCAL SINGER-SONG- WRITER/FOLK PERFORMER: LAURA KEMP

2nd: Peter Wilde

3rd: Mark Alan

Laura Kemp started playing guitar when she was 8 years old, surrounded by the sounds of Simon and Garfunkel, Joan Baez and Neil Diamond. "I love Neil Diamond," she says emphatically. But those influences were just the beginning. "I went to school in Nashville, and
