Keep it local, Eugene!

You have a positive impact when you buy from independent, locally owned businesses.

Voting with your pocketbook makes a difference. It is a positive step towards connecting with your community, reducing your impact on the earth, and becoming a more engaged citizen. As an individual or an organization, choosing locally owned business:

- Keeps up to five times more dollars in our community
- Supports and strengthens local retailers, farms, & producers
- Helps preserve the unique character of our community & promotes our sense of belonging and inter-connectedness
