Band Members

ANYONE UP FOR drumming in an acoustic band? My band is currently looking for a drummer. Our sound is probably best described as a combination between Alice In Chains, Floater, and Seal. I know it sounds weird but it works really well. We have a Remo Djembe already so if you can play and don't have one you can use ours. We are gigging on a fairly frequent basis with usual monthly gigs at the Black Forest and Cozmic Pizza. Looking to branch out and play around the state. To hear a sample of our music go to www.myspace.com/goodforamerica If you're interested you can e-mail us at goodforamerica@hotmail.com or call 579-0414, ask for Brandon.
