An Arica® Study Group Training The 9 Hypergnostic Systems™

Founded by Oscar Ichazo in 1968, the Arica School offers a contemporary method for clarifying human consciousness, using biology, psychology and physics. The **Nine Hypergnostic Systems** training

is an extraordinary learning experience focusing on the clarification of your past and includes:

- The 9 physical systems of the body & their psychological manifestations in life
- Meditations for improving awareness & one-pointedness
- Exercises for chi and vitality generation
- Self observation techniques for developing the State of Awareness

Designed to accommodate the schedules of working people/students, the group begins in August and will meet over a 6 week period. For a detailed brochure, call **KARIMU KUDURA 484-4243**, prototype@ipns.com.

Everybody deserves a good home

Hi, my name is **Eliza!** I am a brown and white 1-year old Pit Bull mix who is looking for a loving home. I am calm, friendly and playful. I know how to "sit" and "come," and walk nicely on a leash. Kennel staff thinks I would do well with children 10 years and older. My adoption fee is \$92. Come see me today - I would love to meet you!
