

**GOOD FOR AMERICA**

Taking from influences such as Alice In Chains, Floater, and Seal, **Good For America's** sound can only be described as unique. Amazing lyrics, mesmerizing guitar, and beautiful vocals make this acoustic rock trio "good for Eugene's" music scene. Check EW's Nightlife page for details about their show this Friday night.

NEW RELEASE

Life definitely never sucks when Tom Petty puts out a new album. While this album is a tad darker and more laid back than his earlier work. It has a "driving album" theme, both lyrically and musically, and as such it really must be listened to from start to finish.
