DARK DAY IN HISTORY

History will mark Sept. 27-28, 2006 as a dark day for our country. On those two days,

the GOP-controlled House and Senate voted in favor of the Military Commissions Bill (H.R. 6166 and S. 3930, respectively), which will leave permanent damage to the U.S. Constitution.

The Military Commissions Bill does the following: Re-establishes the Bush military
