EUGENE "World's Greatest City
of the Arts & Outdoors!"

For information, updates and to share feedback with the
Mayor's Cultural Policy Review Committee, visit:
www.eugene-or.gov/CulturalPolicyReview

The purpose of the Public Forum is to
update the community on the Cultural
Policy Review (CPR) process and to
discuss information collected dur-
ing the Arts & Culture Dialogue ses-
sions held in September. The Mayor's
CPR Committee wants to hear from
you in this forum, as the City of
Eugene is engaging in the first arts
planning process in over 20 years!

The Public Interest Public Service Program, the Wayne Morse Center for Law and Politics, the
University of Oregon Department of Political Science, and the International Law Society are
honored to present:

MARK GIBNEY

Internationally Recognized Human Rights Law Scholar and Professor of Political Science,
University of North Carolina Asheville

**"Ending the Nightmare: How to save the world in four
easy steps"**

Join Mr. Gibney for his discussion on the failure of international human rights
law, and how this law might actually be used for its intended purpose—to insure
the rights of the hundreds of millions of people who have been left without human
rights protections. His four easy steps focus on how human rights can be moved
from (false) promises to enforceable law.

Thursday, November 9, 2006

5:00 – 7:00 p.m.
