BACKCOUNTRY GEAR PRESENTS...

A Film By Mike Volk  
Smith Rock 1986: The Birth of U.S. Sport Climbing

Saturday, Dec. 9th  
7:30 PM, Limited Seating  
Free Admission, Food and Drinks

Witness the explosion of Sport Climbing at Smith Rock in the mid-1980s. Powerful and influential climbers of the time climb some of the Park's most famous routes, clad in bad lycra and super-sick mullets. Long-time Smith local Mike Volk has documented this radical evolution in sport climbing over the last couple decades. This 45 minute documentary features climbers Alan Watts, J.B. Tribout, Todd Skinner, Beth Wald and many others. A preview of Josh Lowell's Dosage IV will follow.
