movie clips

OPENING OR RETURNING:

Black Christmas: Remake of the 1974 horror film stars Michelle Trachtenberg (*Buffy the Vampire Slayer's* Dawn) as one of a group of sorority sisters being menaced by a psycho ... during Christmas break! R. Cinemark. Opens Dec. 25.

Good Shepherd, The: Robert DeNiro heads back behind the camera to direct a story about the birth of the CIA, starring Matt Damon as one of the agency's founders and Angelina Jolie as his frustrated wife. R. Cinema World. Cinemark.

Grateful Dead, The: The only known professionally recorded video from the 1972 European tour is of an April 17, 1972 performance in Denmark. Part of the "In-Concert" series. Not rated. Bijou LateNite.

Inconvenient Truth, An: Following the 2000 election, Al Gore changed tack, turning his focus to the worldwide crisis that is global warming. Director Davis Guggenheim combines footage of Gore's traveling multimedia presentation on climate crisis with Gore's personal story, creating an effective and engaging film. PG. 7 pm Dec. 28, Cozmic Pizza. Free. ★★★★★ (6/15)

Marie Antoinette: Sofia Coppola's third movie follows Marie Antoinette (Kirsten Dunst), who became the queen of France as a teenager. The film is said to be a confection, a romp, anachronistically set to '80s New Romantic tunes and with some actors using their own accents. PG-13. Movies 12. ★★★★★ (10/26)

Night at the Museum: When down-on-his-luck Larry (Ben Stiller) gets a job as the night guard at a museum, he sure doesn't expect the exhibits to come alive at night. There's something very *Jumanji* about this. PG. Cinema World. Cinemark.

One Night With the King: The biblical story of Esther is twisted into a manipulative teen movie about learning that "all of life is under God's command." We wish we were kidding. PG. Movies 12.

Prestige, The: Two magicians (Christian Bale, Hugh Jackman) see their slight friendship turn to rivalry in Christopher Nolan's (*Batman Begins*) enthralling film. Competition grows as the men do, each trying to outdo the other's performance. With Scarlett Johansson, Michael Caine and David Bowie. PG-13. Movies 12. ★★★★★ (10/26)

Rocky Balboa: Rocky (Sylvester Stallone) returns for what's supposed to be the last Rocky film. When a computer simulation shows that the young Rocky would likely have taken down the current champion, the aging Rocky agrees to an exhibition bout. PG. Cinema World. Cinemark.

Shut Up & Sing: Barbara Kopple and Cecilia Peck's documentary look at the unexpected turn the Dixie Chicks' career took in 2003 is engrossing on all the right levels, turning an observant eye on the complicated intersection of art and politics while leaving campy for the group's personal stories. R. Bijou. **See review this issue.**

We Are Marshall: Matthew McConaughey and Matthew Fox (*Lost*) play two coaches trying to

revive the Marshall College football team following a horrifying crash that killed most of the previous team and staff. Oddly, this based-on-a-true-story flick is directed by McG (*Charlie's Angels*). PG. Cinema World. Cinemark.

Films open the Friday following EW publication date unless otherwise noted. See archived reviews at www.eugene-weekly.com

CONTINUING:

Apocalypto: Mel Gibson follows *The Passion of the Christ* with another violent epic set in an ancient time (something that looks vaguely like the end of the Mayan Empire) and filmed in an unusual language. R. Cinemark.

★★★★☆ (12/14)

Barnyard: When the farmer's away, the cows will ... order pizzas and throw a party? Don't think too much about this animated feature or you might begin to wonder why Otis (Kevin James) has udders. PG. Movies 12.

Blood Diamond: Leonardo DiCaprio, Djimon Hounsou and Jennifer Connelly star in Edward Zwick's (*Glory*) film about diamond mining in Sierra Leone in the 1990s. R. Cinemark. **See review this issue.**

Borat: Sacha Baron Cohen (of "Da Ali G Show") plays the title character, a Kazakhstani reporter creating a documentary while road-tripping across the U.S. The subtitle, "Cultural Learnings of American for Make Benefit Glorious Nation of Kazakhstan," ought to tell you something. R. Movies 12. ★★★★★ (11/9)

Casino Royale: Bond gets blond as Daniel Craig (*Munich, Infamous*) steps into the role in a rebooting of the whole franchise, turning it into something darker and, well, better. With Judi Dench and Eva Green. PG-13. Cinemark. ★★★★★ (11/22)

Charlotte's Web: Dakota Fanning plays Fern, the little girl who loves her pig Wilbur (voice of Dominic Scott Kay) more than anything. Julia Roberts voices Charlotte the spider, who helps Wilbur escape his fate. G. Cinema World. Cinemark.

Deck the Halls: Matthew Broderick and Danny DeVito face off when DeVito's character decides to build the world's biggest holiday light display. With Kristin Davis, Kristin Chenoweth and Alia Shawkat. PG. Movies 12.

Déjà Vu: As far as we can tell, this Jerry Bruckheimer-produced, Tony Scott-directed thriller has something to do with traveling four days back in the future to stop a boat exploding. Or maybe it's just *looking* four days back. Clever preview, either way. Stars Denzel Washington and Val Kilmer. PG-13. Cinemark.

Employee of the Month: Dane Cook and Dax Shepard are two slacker clerks working to become the employee of the month in hopes of getting in Jessica Simpson's pants. Ah, cinematic brilliance. PG-13. Movies 12.

Eragon: Adaptation of young novelist Christopher Paolini's first thick tome stars John Malkovich as an apparently campy evil king. Newcomer Edward Speelers plays the title character, who bonds with a dragon named Saphira and, um, saves the world? Or at least the kingdom. Just a guess. PG-13.

Cinema World. Cinemark.
Flyboys: James Franco (*Spiderman*, "Freaks and Geeks") heads up a cast of chiseled young men playing the Lafayette Escadrille, a group of American pilots who flew for the French during WWI. PG-13. Movies 12.

Guardian, The: A hotshot young Coast Guard rescue swimmer (Ashton Kutcher) learns how to be a real hero from a retired swimmer who lost his team in an accident (Kevin Costner). PG-13. Movies 12.

Happy Feet: Warner Bros. chases some *March of the Penguins* dough with this animated film, starring Elijah Wood as a cute lil' guy in search of his soul mate. (OK, so they were working on this one first. Still.) With Robin Williams, Hugh Jackman, Nicole Kidman. PG. Cinemark.

Holiday, The: Man-troubled Cameron Diaz and Kate Winslet swap houses for Christmas break in the new film from Nancy Meyers (*Something's Gotta Give*) - and naturally, each finds a new feller (Jude Law and Jack Black) on the other's home turf. PG-13. Cinema World. Cinemark.

Nativity Story, The: Catherine Hardwicke (*Thirteen*) directs *Whale Rider's* Keisha Castle-Hughes as Mary in the Biblical story of Jesus' birth. With Shohreh Aghdashloo and Ciarán Hinds. PG. Cinemark.

Open Season: Sony breaks into the animation game with the story of a clueless grizzly bear (Martin Lawrence) whose friend Elliot (Ashton Kutcher) lures him into the wild life. PG. Movies 12.

Pirates of the Caribbean: Dead Man's Chest: Johnny Depp reprises his role as over-the-top swashbuckler Jack Sparrow in the second *Pirates* film. Orlando Bloom and Keira Knightley are the in-love eye candy, with Bill Nighy all betacated as watery bad guy Davy Jones. PG-13. Movies 12. ★★★★★ (7/13)

Pursuit of Happyness, The: Will Smith stars as a down-on-his-luck father who strives to make it as a stockbroker while facing eviction and raising his son (Smith's real-life son Jaden). PG-13. Cinema World. Cinemark.

Queen, The: Stephen Frears' movie about the shifting desires and threats of Britain's public and the differences in Tony Blair's (Michael Sheen) and Queen Elizabeth II's (Helen Mirren) responses to the death of Princess Diana is a grand, usually subtle fiction that gets at a lot of truth. PG-13. Bijou. ★★★★★ (11/30)

Santa Clause 3, The: Santa (Tim Allen) faces off against Jack Frost (Martin Short), who's trying to take over Christmas. G. Cinemark.

Shortbus: *Hedwig and the Angry Inch* star John Cameron Mitchell directs a cast of young, pretty, sexually troubled (and adventurous) New Yorkers who connect at an underground club called Shortbus. Explicit, warm, funny and refreshingly sex-positive. Not rated. Bijou LateNite.

Tenacious D in the Pick of Destiny: Tenacious D (Jack Black and Kyle Gass) head off on a musical adventure to obtain the Pick of Destiny and thereby become the Greatest Band on Earth. It's a biopic! Sorta. R. Movies 12.
