earn your MLIS from near or far
dMLIS
 distance Master of Library and Information Science

The Information School (iSchool) of the University of Washington offers the distance version (dMLIS) of the Master of Library and Information Science degree to enable students to earn their degree while continuing to live in their current location.

dMLIS courses are conducted over the internet using course websites as the "classroom". Courses are instructor-led, follow the UW quarterly schedule, and students start and complete the course as a group. The dMLIS program includes brief residencies on the UW campus in Seattle for approximately 3 days each quarter.
