TECHNOLOGY INNOVATION EXPERIENCE DEDICATION REPUTATION QUALITY

Considering LASIK? CONSIDER THESE 3 POINTS.

EXPERIENCE Since 1992, Dr. Crews has performed over 16,000 successful vision corrections right here in Southwest Washington and Portland. He provides the latest technology and expert medical care to ensure your comfort, safety and best vision results.

YOUR EYES ARE UNIQUE Crews Laser Center uses the latest Visx Star 54 laser system with CustomVue technology. CustomVue procedures are 25 TIMES MORE PRECISE than traditional LASIK in treating a variety of prescriptions. FDA studies have shown WaveFront-guided treatments can give the best quality vision particularly in low light and dark settings.

THE CHOICE IS YOURS You only have two eyes. For your once in a lifetime vision correction, choose your care wisely. Come see for yourself!
