

Credit unions, local currencies and micro-lending funds will also be presented as ways of developing our commercial and entrepreneurial impact.

MECCA & BRING Recycled Art

(North Bldg., EWEB Community Room)
Craft activities for children and adults, including musical instruments, costume-making, junk jewelry & collage, make your own posters, bumper stickers & pins and other fun crafts using reclaimed materials.

Art & Writing Contest (sponsored by MECCA & BRING Recycling)

View this year's submissions of artwork, essays, and/or creative poetry and prose that addresses the question: What part of the earth is most sacred to you? Four age categories, with winners selected from each group.

Earth Day Book Swap and Book Sale

Reduce, reuse, reread! Join us upstairs in the EWEB cafeteria to swap or purchase your favorite earth-friendly books, suggest publications for others to read or to just relax. Bring a book to leave for someone else, or purchase a book to support the African children's education project in Togo. New and used books donated by Black Sun Books and other local independent bookstores, along with Books w/o Borders periodicals and books relating to Earth Day will be for sale, with a portion of the proceeds earmarked for children's education in Togo.

Free Bike Tune-ups

Bicycle mechanics from Paul's Bicycle Way of Life will be on hand to provide free tune-ups on site. Grab your bike and pedal over to take advantage of this great offer.

Geocaching for the Adventurous

Adventure game seekers can enjoy Geocaching at this year's event, presented by REI. Participants will use a Global Positioning System (GPS) device to locate caches hidden throughout the event in a high-tech scavenger hunt.

Procession Of All Species

A Celebration of all creatures great and small! The Procession of All Species is an artistic celebration in which participants honor all species of life on our home planet. Anyone can join the Procession by donning a costume, mask, or other representation of their favorite plant, animal, mineral, ecosystem or natural wonder (but NO live animals, motorized vehicles or written signs/messages).

Costumes and masks can be made onsite, beginning at 11 AM (location tbd). The Procession of All Species will assemble at 2:00 PM behind the Main Stage at EWEB's

Main Stage Entertainment

11:20 a.m.

Welcome by Mayor Kitty Piercy

11:30 a.m. – 12:15 p.m.

Rob Tobias

11:45 a.m. – 12:45 p.m.

Conjugal Visitors

12:30 p.m. – 1:15 p.m.

Mary Ferris Vertulfo

2:30 p.m. – 3:15 p.m.

Elizabeth Cable

3:30 p.m. – 4:30 p.m.

Jupiter Hollow

3:30 p.m. – 4:15 p.m.

Forgotten Works

Jupiter Hollow

River Edge Plaza Fountain, on the riverside proscenium. The route will meander through the Plaza and proceed across the Peter DeFazio Footbridge, over the Willamette River, and ending in Alton Baker Park. This year's procession will again be lead by Eugene's favorite Brazilian Troupe, Samba Ja!

Pacific Tree Climbing Institute

A free, introductory tree climbing experience open to all ages! PTCI is an Oregon

Rob Tobias

1:00 p.m. – 2:00 p.m.

The T Club

1:30 p.m. – 2:15 p.m.

Al Rivers

2:15 p.m. – 3:15 p.m.

Inner Limits

Elizabeth Cable

outfitter/guide service that offers recreational, guided canopy tours. If you're under 18 years of age, remember to bring a parent or legal guardian to sign the mandatory liability release! Located by the EWEB Credit Union Building on 4th Avenue & Mill Street.

Free Trees, Composter, eWaste Coupons and more

Visit all the Earth Day booths for prizes, discounts and other valuable items like a

drawing for a composting bin at the City of Eugene's Solid Waste and Recycling booth, BRING booth, or \$10.00 eWaste coupons from Lane County. And again this year, EWEB's arborists will provide free trees. Quantities limited to supply on hand.

LTD and the EmX Bus

Visit LTD's newest EmX bus onsite all day! And you can take a free LTD shuttle from the downtown station right to the festival site at EWEB's River Edge Plaza, courtesy of Lane Transit District!

The SunRover

Constructed as a demonstration of solar electric technology, the SunRover generates power from the sun. The blue photovoltaic (PV) panels mounted on top of the SunRover harness the sunlight to produce clean electricity. The SunRover can operate as a portable generator, delivering power to community events and educational demonstrations. Producing electricity with zero emissions and very little environmental impact, the SunRover has no moving parts and little maintenance is required. When parked at EWEB's facilities, the SunRover recharges onboard batteries and feeds excess power into EWEB's electric lines. The PV panels can produce up to 1080 watts of power in ideal conditions. In an average year in the Willamette Valley, the panels should produce about 1400 kilowatt hours. Using energy efficient (Energy Star®) appliances, this would be enough energy to power your refrigerator, clothes washer, dishwasher, television and microwave for an entire year.

The Watery World at Earth Day

(located in Alton Baker Park)

Produced by the Drop in the Bucket Brigade/School of Earthy Arts, these hands-on demonstrations and activities will keep the kids learning for hours. Located across the river in Alton Baker Park, this popular stop focuses on Watershed and river issues.

11:00 a.m. - 5:00 p.m. Exhibits, workshops and an info kiosk on local water issues

Activities include play stations on Erosion/Geology, Soils & River dynamics illustrating the Water Cycle of Western Oregon, a take-home clay project, a presentation by the Oregon Coast Aquarium Youth & Water program, EWEB's water conservation projects, Willamette River Basin Toxic issues and much more!

Explore Watershed Science, Water Tables and drinking water purification devices, or cascading rainwater Gutter Fountains in hands-on demonstrations. Or join Captain Jat in his River Box or in one of several beached canoes, a dinghy, sailboat or raft!
