MIDTOWN DIRECT

MIDTOWN ROCKS!

We know that it is the people in your day that make positive energy!

Midtown Direct employees are given incentives to not smoke, use drugs, and to use alternative transportation to get to work. We work hard to support local crafts people and businesses. Midtown is one of those few businesses that actually give a crap about customer service. We greet each customer, say thank you, and count back your change. We treat people like family. Not cattle. If you like shopping in a big box on the edge of town, go for it. If you want a local business who cares more about employees than profits, please give us a try! Midtown sells cheap so you can afford the means to quit smoking! Smoking stinks! We also don't sign a single tobacco contract! We dare to defy big tobacco!
