

INSIDE EVERY BOTTLE
YOU HELP BUDWEISER
GIVE BACK.

THE ONLY
MAJOR
U.S. BREWER
OWNED BY
AMERICANS

There's more inside than
great beer. Budweiser is
proud to support a host of
charitable organizations across
America in the areas of
**education, healthcare, the
environment and more.**
Choose **Budweiser** and help
give back to your **community.**

For more information on our contributions to
the community, go to www.anheuser-busch.com

A community devastated
from a tornado is rebuilt
with our **Disaster Relief**
efforts. Another woman is a
survivor through our
support and sponsorship of
breast cancer research—
which raises money for study,
education, screening and
treatment. Our continuous,
dedicated commitment to

Solid Waste Reduction enables another
recycling program to be developed
for items that were once sent to
landfills. Because of our affiliation with
neighborhood kids' programs, a little
girl who never believed in herself says,
"I can..." for the first time. Our
Employee Volunteer Grant Program
encourages one of our employees to serve
warm meals to the homeless in his spare time. A
disabled veteran can enjoy life again through our
support of American veterans. Educational donations
from our employees and retirees are doubled from our
Matching Grant Program. A developmentally disabled man gains
independence through our **community backing of special schools.**
An inner-city kid is granted the chance to shape his future
through **scholarship programs.** A child with juvenile diabetes can
experience swimming, arts and crafts and horseback riding

through our **donations made to local camps.** Our
Community Health Mobile offers peace of mind to a
couple that can't afford checkups. Our annual support of
neighborhood retirement programs offers an older
adult volunteer the opportunity to improve a child's
learning skills and her self-esteem. The natural beauty
of the environment is preserved a while longer
through the **Budweiser Outdoors Program.**
