BEST NEW DANCE FLOOR

This is a toss-up between the Indigo District's revamped stage and dance floor and Davis' fishbowl mini dance floor. A quick poll of EW's dancing class reveals the winner is ... Indigo! But does it really matter so long as your booty is shaking?

BEST NEW DEAL

Starlight Lounge. Why? Dollar Ninkasi pints. We are *so there*. Except last time we were so there, we got so outta there at 8:45, when the previously chill music suddenly shifted to something with a little too much bump and a little too much volume for a bar that doesn't even have a dance floor. What gives? We can even take the awkward couches (though we'd so much rather sit in the bar) so long as we can actually hear our friends. But still: \$1 Ninkasi!

BEST PRETTY FACADE

Sure, the flower garden is something you don't normally see at a gas station. Yes, you note the irony of a place to refuel your car *and* your nerves (at the adjacent drive-through espresso stand) and give a slight chuckle. Hey, a free car wash if you fill up on eight gallons or more, why not? But wait — where are the gas prices listed? Whatever, you say. Would you like a car wash today? Sure. Um, but isn't he going to follow up that question by telling you how to get that "free" car wash? You're sort of in a hurry and going through the trouble of chasing him down for more info on this "free" car wash just isn't worth it. As you pull out, you glance at your receipt. \$37 for 10 gallons of gas. That's \$3.70! That, my friends, is one slick con job.

BEST KNOCK-OFF BEST OF

Sometimes, daily papers can't take it when the alt-weekly has something they don't. Like almost all alt-weeklies, we ask our readers to vote on what makes the grade, but out the suburban trails at *The Register-Guard*, the "Team Best Of ..." writers apparently think they know what's best for you. Or maybe they're just trying to save you the work of having to, you know, go out on the town; they'll do it for you. Here, it's a democracy: We don't always agree with you (hence our staff picks), but we always let you vote. And contrary to the R-G's opinion about our poll, we do make an effort to keep you from stuffing the ballot
