

GEAR GUIDE

a product of eugene weekly's advertising department

PETZL e+LITE

This headlamp features three incredibly strong LED lights. It was designed to be a backup headlamp but is easily powerful enough to be a main light. The e+LITE fits into its own container and is a great tool on these short days when night comes too early. \$29.95

Rock Band

We're getting the band back together, man! Move over, Guitar Hero, it is time to tour with the big boys. Rock Band, the most authentic music game to date, allows you to live out your fantasies by challenging rockers to master lead guitar, bass, drums and vocals. Even better than picking a part and playing solo, you can actually form a band on Xbox Live, play tour mode and work your way to the top! The Special Edition Rock Band Bundle - \$199.99 for the Xbox 360 - includes the Fender Stratocaster replica guitar, the drum kit with four pads, kick pedal, drum sticks and a microphone. No go forth and shred, my friend!
