"Clocky" The Runaway Alarm Clock

Need a little more incentive to pry your butt from the warmth of your flannel sheets and down comforter cave during cold, dark, rainy winter Eugene mornings? How is an 80db alarm clock that rolls off your nightstand and hauls ass around your bedroom making annoying beeping sounds for incentive? You can set "Clocky" to begin its run right away or delay its launch until after you hit snooze (1-9 times). The little guy retails for around \$50 and requires 4 AAA batteries.
