S.A.R.A.'s Shelter Animal Resource Alliance Rescued Dog of the Week
Copper is sweet, shy-at-first, 3 years old, and weighs 30 lbs., with a true Beagle personality. We are looking for a very special type of home for him — he is sometimes scared of new people (especially men), loud noises and new situations. Copper has slight separation anxiety when left alone, and needs an adoptive home where someone is around most of the time, plus a dog friend to keep him company and to play with. He is housetrained, but needs to be walked at night to avoid overnight "accidents". For his protection and your peace of mind, Copper need a securely fenced yard. His adoption fee is \$125, to help cover some of his rescue and microchipping costs. For more information, please email Diana at dianar494@comcast.net or call 741-7253.
