Leadership for a Change

**THANK YOU HANDY
SUPPORTERS!!**

ROB received the MOST Votes in the
Primary by almost 1,000 votes and
received 49% of the vote as well! Because
ROB HANDY didn't quite receive the 50%
(plus one vote) to win the primary, we are
now focusing our attention on the general
election on November 4th, 2008. But before
moving forward, we want to THANK the
volunteers, donors, supporters, consultants
and businesses that made such a great
campaign possible. Thank you!
