JUST BECAUSE A SHOE IS TRASHED, DOESN'T MEAN IT'S GARBAGE.

Athletic shoes wear out. And when they do, Nike's Reuse-A-Shoe recycling program can turn them into Nike Grind, a material used in sports and playground surfaces. This helps reduce landfill waste and create new places to play for young people around the world.

Bring your shoes to the Eugene 08 Festival at Hayward Field on Monday, June 30 and help the effort to build a new track for the Arts & Technology Academy at Jefferson.
