Your Footwear Should Complement Your Running Or Walking, Not Be A Hindrance

Eugene Running Company uses video gait analysis to find the shoe that works best for your needs. Our staff will analyze your foot strike, and then fit you with the right gear. Talk shop with knowledgeable athletes and coaches. Come in and see "Tracktown" memorabilia. Our goal is your needs.

Before:
Not all feet align straight.

After: We'll find shoes that work for you!

Locally owned and operated with more than 100 years of combined experience.
