

Opening February 3rd!

**Sustainability,
Slow & Local Foods,
Cooking by Season,
Heritage & Heirloom products.
A Minimized Carbon Footprint.**

**A trend or
a way of life...**

In the year 2000 Adam's Place redrafted our corporate mission statement to include a sustainability component as a priority and driving goal for the new millennium. From that point forward we have slowly and with increasing fervor made each decision, small or large with an eye on its impact both on the earth we share and the generations to come. Reducing our carbon footprint has been as much a mission as a goal.
