Hi There I'm Farrah! I live here at S.A.R.A.'s Treasures and would like to let everyone know about my DRINKWELL fountain. This has got to be the best invention since mice for us furry four footers! The ladies have them set up here for us to drink from and they are awesome. There is always fresh water flowing for us to drink and it is really good so we all drink a lot! We never have to go into one of those creepy little boxes and get in the car for destinations unknown (someplace called THE VET) because we can't pee. Anyway, I convinced the ladies to let you bring in this ad for a free cleaning kit if you buy a fountain, reservoir, and filters... That's a \$10 value!! Don't wait, this is a great deal!! See you soon J

* Pet of the Week ***
Everybody deserves a good home

Ellie is a classic Tortoiseshell beauty with her orange, brown and black fur resembling an autumn day in the woods. She was surrendered to Greenhill after her lifelong owner was evicted and is looking for a new loving home to call her own. Ellie is very sweet and gets along great with cats, dogs and children. If you want to make a good first impression on her, give her a good petting on her sweet spots - the top of her head and chin. She is an independent woman at times - a tried and true Tortoiseshell trait - but she always exudes love during one on one time. During the month of February the adoption fees of all Tortoiseshell and Calico cats are 50% off, including Ellie! Come meet this loving lady today.
