Greenhill
* Pet of the Week *

Lovely Luna, a 2 year-old pure-bred, Mini Rex rabbit, is a sweet girl who will take as much affection and attention as you can give. But don't think she just waits around for some loving to come to her; Luna is known to move to the front of her cage whenever people enter the room to entice a little petting and head scratching. Most people are more than happy to indulge Luna's petting requests because her plush, golden fur feels like velvet to the touch. Another of her favorite activities is playing with her toys, especially her plastic keys. She will throw them up in the air over and over. Luna weighs about 3 1/2 pounds, is litter box trained, micro-chipped, and has been spayed. Come meet this wonderful lady today!
