Greenhill
*** Pet of the Week ***
 Everybody deserves a good home

Adorableness obviously is a strong gene in **Boozier** and **Baxter**'s family! These 4 1/2 year-old brothers are very friendly and active Miniature Pincher/Husky mixes. The boys love taking walks together and are incredibly playful. They get along well with other dogs but Greenhill has no history on their behavior with cats, so careful introductions would be needed. Boozier and Baxter can be a little shy at first but once they warm up to you, they love to be petted and held. Both are housetrained and overall well-behaved. The brothers are incredibly attached (they even share a kennel together) and because of this strong bond, Greenhill is requiring that they be adopted as a pair. Their adoption fee together is \$150. Please come meet these endearing brothers and give them a new home together that they can call their own!
