LAST WEEK! *Organic & Natural Mattress Sale*

- Barcalieu Queen Size Organic mattresses - reg. \$1999 Now \$1499 (made from certified organic cotton, organic wool, and 100% natural rubber)
- New Forrest Queen Size Natural Care mattress sets - reg. \$1249 Now \$999 (made with soy based foams, bamboo covers, and minimal petrochemicals)
- Natural Queen Size mattress sets - starting at \$599

Why Choose an Organic Mattress ?
Memory foam mattresses, like most commercially available mattresses, are made from petroleum based polyurethane foam, an extremely flammable material, known as "solid gasoline" by firefighters. To prevent fires, manufacturers add chemical fire retardants, called PDBE's.

PDBE's may pose a greater danger than the polyurethane mattresses themselves, because they can pass right through your skin over the course of an 8 hour night, and have been linked to cancer and other illnesses. PDBE's have been banned in Europe. Their solution: sleep on natural latex mattresses... made from the latex sap of tropical rubber trees. *Rubber tree leaves*
