Rescued Cat of the Week**

Hey there "B" the cat here to ask you all to come in to S.A.R.A.'s Treasures to visit me and all my rescued friends up for adoption. There are lots of us here waiting for our forever homes and wish that there were at least more shoppers to give us love. So to encourage you to come in, I told the cat ladies to give you another week for the 20% off of one thrift store item coupon when you bring in this ad. Don't wait this time because this offer won't last past Aug. 13th and you never know when it will come up again! (p.s. only one coupon per person please!) See you all soon for cool air conditioned shopping =^..^= !

**Greenhill
* Pet of the Week ***
Everybody deserves a good home

Angie is a sweet 4 year-old who has been through some rough times in her life. Before coming to Greenhill, she was found after being hit by a car and treated by a veterinarian for her injuries. She sustained some permanent damage to the right side of her face and eye and lost some teeth but she isn't letting her that slow her down! She has been very playful in the cattery and is ready to find her new, loving home. Once she is adopted, Angie will need to return to the veterinarian for some additional dental work but Creswell Veterinary Hospital has offered to provide this service at no charge. Her new family will only need to provide her with lots of TLC, which will be easy because her personality is so friendly and affectionate! Her favorite activity is snuggling and she will curl up in your lap whenever she gets the chance. Angie prefers the amenities of indoor living and she is litter box trained. She is pretty easy going so she can get along well with other cats, mellow dogs, and cat-experienced children. Come by and meet this lovable girl today!
