Everybody deserves a good home

Chantell is an affectionate, black and white beauty who can't wait to go home with you! The last few months have been tough, but she is ready to move on and start a new life. Chantell came to Greenhill Humane Society in March and soon developed a nasty tail-chasing habit. The staff at GHS found a wound on her tail that was causing her some pain, which began to make her act a bit grouchy and made it hard for her to concentrate on finding a home. Since pain medication was not helping and the wound was not healing, Chantell's tail was removed as a last resort. Today, Chantell's missing tail is the only reminder of her difficult past; she has regained her playful and friendly personality. Once again she is able to enjoy the finer things in life such as chin rubs, one of her favorite activities. She absolutely loves being around people and would prefer to live indoors so she can spend as much time with you as possible. Come to Greenhill today and fall in love with Chantell!
