

news Briefs

NW Power & Conservation Plan, which assesses the region's long-term electricity needs and identifies power sources to meet them with. More information at www.nwcouncil.org or send comments to cy@nwenergy.org

CORRECTIONS/CLARIFICATIONS

In last week's Slant column item about SNAFU possibly closing, we quoted Casey Mitchell as the owner, but the actual owner is Josh Keim, who also owns Café Lucky Noodle and Ring of Fire. Mitchell works as a DJ and promoter at SNAFU.

ON THE WEB THIS WEEK

• **More letters** to the editor and a longer version of Rob Bolman's Viewpoint "Denial and Delusion: Why we're not seeing true sustainability."

• **On the blog:** Camilla posts a video of Lego cyclist running a red light. Oh noooo! On the same theme, Alan blogs about texting while driving, and what about cops with computers at their fingertips? Molly covers the Music Fest Northwest. Todd posts photos of the Mayer Hawthorne show at the WOW Hall. And much more.
