Greenhill Pet of the Week
Everybody deserves a good home

Gus is 18 pounds of pure love! This 4-year old Pomeranian/American Eskimo mix has a super sweet and friendly personality. He needs a little time to warm up but once he does, he is forever attached. He loves people and is looking for a home where he is going to get pampered and showered with attention. His all white coat will especially need some TLC! Gus gets along well with other dogs and has shared a home with cats. Greenhill staff members are recommending he join a family with children age 10 years or older because he has some sensitivity with handling. His adoption fee is \$250 which makes Gus a hero dog! A Greenhill Hero Pet is an animal with a higher adoption fee, which helps provides the necessary monetary resources for the shelter to be able to help animals with special needs. Open your home and heart to Gus and he'll be sure to repay you with enthusiastic love and devotion!
