Everybody deserves a good home

Meet **Seymore!** He is handsome 4 year-old that loves to be held. This little guy may be shy at first but it won't take long for him to warm up to you. Seymore had to have his right eye removed but he is still a handsome guy in his black fur coat. He came to GHS from another shelter that was out of space. Since then he has made friends with many other cats in the cattery and the staff has fallen in love with him. This sweet boy also gets along well with cat experienced children and dogs. Seymore has a friendly, affectionate, and playful personality and he can't wait to settle down and just be a lap cat! It is recommended that he is an indoor cat because his missing eye would be a disadvantage to him when facing the dangers of outdoor living. Come out to Greenhill today to meet Seymore. The only mystery behind his black fur coat is his friendly and loving personality!
