Public Comment on Draft Environmental Impact Statement on BLM Herbicides

Dear BLM, my name and address are: _____

I oppose your plan to increase use of pesticides. I support ALTERNATIVE ONE – no herbicides – because all of the other alternatives would increase the use of pesticides, including the deadly 2,4-D and the carcinogenic Diuron.

I protest the fact that your DEIS did not include an analysis of the inert ingredients and relied on a Bush-Administration legal definition of the term "drift" that eliminated the consideration of vapor as drift.

I protest that you pretend to offer five alternatives but admit that numbers one and two are "only for comparison."

I object to the fact that your 'Proposed Option, Alternative Four', would change your current authority "to spray only noxious weeds" to have new legal authority to "spray all vegetation", including at schools on leased BLM lands, campgrounds, and picnic areas. Children before profits!
