Help Oregon's economy Gain Some Yardage!
Elect Marilyn Kittelman

“She'll tackle Oregon's budget crisis...And get our economy back in the end zone!”

Marilyn Kittelman
Business owner, wife & mother
“As the mother of two college students I understand the difficulties they face.”
Nominated by the Independent Party of Oregon, Republican and Constitution Parties, and is endorsed by the Libertarian Party of Oregon.

Her opponent: Career Politician Floyd Prozanski has *run out of plays*. He voted to *increase state spending by 46%* in just the last four years! He voted in favor of HB 5054 – *cutting spending on higher education!* Oregon now has the second highest unemployment rate in the nation!

It's time to trade players!

We can't expect solutions... from the guy who got us in this mess!
Hippies and Rednecks Unite – this election it's about Freedom!
