Rescued Cat of the Week

 Hi everyone, we're Pip and Mo, 6 year old brothers who really love each other. We're sensitive guys who are not really fond of other cats, but we do love to snuggle. I (Pip) love to talk when it is treat or meal time and my brother Mo is kind of quiet, but we are really great guys when you get to know us.

 We also wanted to let you know that S.A.R.A. is having a Valentine's Day Coloring Contest, open to all kids 12 and under! Stop by S.A.R.A.'s Treasures to pick up a coloring page and make sure to return your entry by February 14th for a chance to win an awesome prize! Greenhill
 * Pet of the Week *

 I'm "Chester", a gorgeous 5 year old male Maine Coon mix who has been diagnosed with Feline Asthma. I was transferred from another shelter that had run out of space for me and feel grateful to be at Greenhill where I have a chance to find my forever home. Asthma can be a lifelong condition that needs special care and attention, but the nice people at Greenhill feel I am so wonderful that I am worth the extra effort. I love people and am very affectionate. I like to be sitting on or next to one of my family members at all times. I am a calm gentleman who is very mellow, have a terrific, expressive face and love being groomed and getting tummy rubs. If you are interested in meeting me or learning more about me, please come out to Greenhill and speak with the catery staff. I know there is a special person or family out there who will take on a little extra responsibility once they see all the love I have to share. Because of my special needs, Greenhill has lowered my adoption fee to just \$30.
