 ✱ Pet of the Week ✱  
 Everybody deserves a good home

 Victor is a male 7 year old purebred yellow Labrador and is the perfect family dog! His extra large size and playful yet gentle demeanor is what every household with kids needs! This poor chap was owner surrendered because his person couldn't spend enough quality time with him, and Labradors need people. Victor has two vices: food and chasing kitties, so he'll need a cat-free and physically active household to take him home today! Victor's adoption fee is \$75.00 & includes spay/neuter, vaccines, free vet wellness exam, pet insurance, and more!
