

Made in USA Sweatshop Free

Meet Leore, as an exotic blend of Moroccan, Israeli, Swedish and Italian, she's truly anything but the All-American girl. But isn't that what America's really about? She's pictured here on our factory rooftop, wearing the Malibu Swimsuit, Stretch Twill High-Waist Side Zipper Short and the Rugby Towel.

As of July 4th, 2011, American Apparel will employ nearly 9,000 people in the United States, and own and operate a total of 250 retail stores in 20 countries, from Israel to Canada to South Korea to New York. Our founder is an eccentric Canadian, our sewers, cutters, dyers, and knitters come to us from all over the world, and our fashionable basics are produced in the USA, from start to finish at our sprawling Sweatshop-Free factory in the heart of Downtown LA.
