Reyna Gaspar

CRUSADER OF COMFORT AND CHAMPION OF ENERGY CONSERVATION.

At the Eugene Water & Electric Board, we're empowering citizens with resources to save money and energy in their homes and businesses—like Reyna Gaspar, who saved \$3,500 with state and EWEB rebates on a new ductless heat pump, plus attic and floor insulation. In six months, she's already saved \$200 on her electric bill, and her philodendron has gone from failing to flourishing since the switch. To find out about EWEB's energy-saving programs for your own home, visit eweb.org/saveenergy or call 541-685-7000. Maybe yours will be the next powerful tale we tell.

Together, we're powerful.
