

Tomahawk

Chopping wood, chopping zombies-hey, you don't have to reload it and it works for midrange combat as well. *Edge N Knife, \$36.95*

Shovel

The foxholes of Khe Sanh were dug with shovels like this. The collapsible feature is perfect for the wandering nomadic survivor. *Dick's Sporting Goods, \$19.99-\$29.99*

Flashlight

Where will you be when the lights go out? Hopefully with one of these handy. Standard issue crookneck military flashlights are the way to go for the end-of-the-world scenario. Each comes with a series of different-colored lenses, for optimum use in a variety of environments. Pick up one of these and some extra batteries. *Action Surplus, \$12.95*

Rope

This one is a no-brainer. *True Value Hardware, varies in length and price.*

12-Gauge Pump Action Shotgun

No longer just for those who don't dial 9-1-1, the 12-gauge pump action shotgun is the premier food-harvesting, personal-protection, zombie-slaying device for the end times. Compact, versatile, capable of dispatching small and large game as well as the walking dead, a good 12-gauge is the MacGyver of the firearms world – it can do anything, anywhere. Plus, when the end comes, ammunition will be easy to find. While stores and businesses still exist, various models can be purchased and modified to the specifications of your hyper-vigilant loved one. *BiMart, \$300.00*
