## County Funding: The Clear-cut Solution?

*Clear-cutting our public lands is **not** a substitute for Congress extending Secure Rural Schools funding. Yet Rep. Peter DeFazio is promoting the idea of re-linking county funding to clear-cutting on public lands, putting corporate profits ahead of clean water, salmon, and our quality of life.*

**Call Rep. Peter DeFazio and let him know that you oppose clear-cutting our forests to prop-up county budgets. We need a real solution to the county funding crisis, not more clear-cuts, mudslides, and logging industry bail-outs. Call Rep. DeFazio at 541.465.6732.**
