2 year-old **Honey** arrived at Greenhill in August along with her litter of six tiny kittens. After 2 months in a foster home, where she tended to their every need as they grew, she then watched them claim their new families in the shelter's cattery. Now Honey awaits her turn. Our cattery staff and volunteers describe her as a sweet and loving girl who enjoys a warm lap. As a mother, Honey was very protective of her kittens, making her leery of other cats. She would be most comfortable as an only cat. Come on out to Greenhill to meet Honey and all of the other felines who are eager to meet you and your family.

Rescued Cat of the Week

Hello everyone, **Venus** here to talk to you about giving kittens for gifts. While it may seem like a fun idea to surprise someone with a kitten, they're a lot of work. People often don't realize the cost of being the caretaker of a free or almost free kitten. It will take hundreds of dollars to spay/neuter, vaccinate, test for disease, feed, supply litter and take in for routine vet care, not to mention emergencies. Before you bring a cat or kitten into your home, all family members should spend time at the shelters holding and being around multiple cats to check for allergies... it saves a lot of pain and trouble in the long run. Always adopt from a responsible party whether it be a shelter, rescue or private party and ask if the mother has been spayed yet. Never adopt a kitten under 8 weeks old... they are not old enough to be away from mom and still need her milk for immunities to common diseases. I hope this info will help you and all the homeless kitties out there to have a happy holiday season.
