

What is Unity?

"A positive, practical path of spiritual awakening"

"Honoring all faiths in the light of universal principles"

"Joyously thriving, serving, and being all we can be"

"Seeing and nurturing all creation as sacred"

"Celebrating diversity—being creative, playful, kind, and accepting"

"Coming together in community to learn, share, and evolve"

Paul Biondi shares his magic along with Katherine Conrad, Jon West, Donna O'Neil, & other wonderful musicians.

**Unity is the deepest love and brightest light in all of us waiting to be set free.
Why wait?**

The New Year's Yoga Retreat is a Unity tradition!
