The Highway 126: Fern Ridge Corridor Plan is ready to take the next step toward identifying workable solutions to improve the safety and function of Highway 126 between the cities of Veneta and Eugene.

We are committed to access for all participants and assisted listening devices will be available at the meeting. This event will be held in a wheelchair accessible area. For individuals who are deaf or hard of hearing, an interpreter or note taker can be provided with 72 hours notice prior to the event, and the state relay number to call is 711. Materials can be made available in alternate formats if requested in advance. To arrange for these services, please call Ellen Teninty at 541-345-5091 at least 72 hours in advance.
