American Apparel®

American Apparel has integrated manufacturing, distribution and retail as no one has done it before. With virtually every aspect of the process executed in downtown LA, we do not rely on outsourcing. The 6,000 American industrial, apparel, textile and sewing employees at our LA headquarters earn fair wages and pay US taxes.

We have not only had a positive impact on the economy, but also our community in LA and worldwide, offering support for local initiatives and most prominently Immigrants' and Gay Rights. We believe that business can be used to bring about social change. American Apparel leverages art, design and technology to advance the business process, while continuing to pioneer industry standards of social and environmental responsibility in the clothing industry.
